ABSOLUTE ASSIGNMENT OF LEASES AND RENTS

THIS ABSOLUTE ASSIGNMENT OF LEASES AND RENTS ("Assignment") is made this 16th day of December, 2009 by GREGORY D. TAYLOR and wife, LORI TAYLOR (hereinafter called "Assignor") to SOUTHWEST SECURITIES, FSB (hereinafter called "Assignee");

WITNESSETH

Assignor, in consideration of the sum of Ten Dollars (\$10.00) cash in hand paid and other good and valuable consideration paid by Assignee, the receipt and sufficiency of which are hereby acknowledged, does hereby absolutely and unconditionally GRANT, CONVEY, ASSIGN, TRANSFER and SET OVER unto Assignee the following:

- a. all rights, title, interests, estates, powers, privileges, options and other benefits of Assignor in, to and under the lease agreements which now or in the future, from time to time, cover or affect all or any portion of the properties described in Exhibit "A" attached hereto and made a part hereof and the improvements located thereon (said properties and improvements hereinafter called the "Subject Property") together with all renewals, extensions, modifications, amendments, subleases and assignments of such lease agreements (such lease agreements, renewals, extensions, modifications, amendments, subleases and assignments hereinafter called the "Leases"); and
- b. all of the rents, income, receipts, revenues, issues, profits, receivables and other sums of money (hereinafter collectively called the "Rents") that are now and/or at any time hereafter become due and payable to Assignor under the terms of the Leases or arising or issuing from or out of the Leases or from or out of the Subject Property or any part thereof, including but not limited to minimum rents, additional rents, percentage rents, deficiency rents and liquidated damages following default, security deposits, advance rents, daily rents or room charges, all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Subject Property and all of Assignor's rights to recover monetary amounts from any lessee in bankruptcy including, without limitation, rights of recovery for use and occupancy and damage claims arising out of lease defaults, including rejections, under the Federal Bankruptcy Code, including specifically the immediate and continuing right to collect and receive each and all of the foregoing; and
- c. any and all guaranties of payment of the Rents.

This Assignment is made by Assignor to provide a direct and continuing source of payment (currently and in the future) of the following note, obligations, indebtedness and liabilities: (a) one certain promissory note of dated December 16, 2009 in the original principal amount of SIX HUNDRED NINETY-FOUR THOUSAND, SIX HUNDRED FIFTY AND NO/100 DOLLARS

(\$694,650.00) made by Assignor and payable to the order of Assignee, with interest at the rate or rates therein provided, both principal and interest being payable as therein provided, and all amounts remaining unpaid thereon being finally due and payable on December 16, 2014, containing a provision for the payment of a reasonable additional amount as attorneys' fees, and all other notes given in substitution therefor or in modification, increase, renewal or extension thereof, in whole or in part, such note and all other notes given in substitution therefor or in modification, increase, renewal or extension thereof, in whole or in part, (hereinafter called the "Note"); and (b) all indebtedness now or hereafter incurred or arising pursuant to the provisions of, or secured by, the Deed of Trust, Mortgage and Security Agreement of even date herewith (hereinafter called the "Mortgage") made by Assignor to secure the payment of the Note and covering the Subject Property and certain other property described therein; SUBJECT, HOWEVER, to the terms, provisions and conditions set forth in this Assignment. Notwithstanding any provision herein to the contrary, Assignee hereby agrees that unless and until an event of default occurs under the Note or Mortgage, Assignee will not exercise any of the remedies contained herein.

1. Assignor hereby represents and warrants unto Assignee that Assignor is the sole owner of the entire lessor's interest in the Leases and has good title and good right to assign the Leases and Rents hereby assigned and no other person or entity has any right, title or interest therein; that Assignor has duly and punctually performed all of the terms, covenants, conditions and warranties of the Leases that were to be kept, observed and performed by it; that Assignor has not at any time prior to the date hereof exercised any right to subordinate any Lease to any deed of trust or mortgage or any other encumbrance of any kind; that Assignor has not executed any prior assignments of the Leases or the Rents thereunder; that no Rents reserved in any Lease have been anticipated and no Rents for any period subsequent to the date of this Assignment have been collected in advance of the time when the same became due under the terms of the applicable Lease; that Assignor has performed no act or executed any other instrument which might prevent Assignee from enjoying and exercising any of its rights and privileges evidenced hereby; that each of the Leases is valid and subsisting and in full force and effect and unmodified; that there exists no defense, counterclaim or set-off to the payment of the Rents under the Leases; and that there are no defaults now existing under the Lease and no event has occurred which with the passage of time or the giving of notice, or both, would constitute such a default.

2. Assignor agrees that, so long as the indebtedness evidenced by the Note or any part thereof or any other indebtedness secured by the Mortgage shall remain unpaid, Assignor (having no assignable rights therein) will make no attempted assignment, pledge or disposition of the Leases or the Rents thereunder; nor will Assignor attempt to subordinate any of the Leases to any deed of trust or mortgage or any other encumbrance of any kind or permit, consent or agree to such subordination; nor will Assignor reduce the Rents payable under any of the Leases, modify, alter or amend the Leases or waive, excuse, condone, discount, set off, compromise or in any manner release or discharge any lessee under any Lease of and from any obligations, covenants, conditions and agreements to be kept, observed and performed by the lessee, including the obligation to pay the Rents thereunder in the manner and at the place and time specified therein; nor will Assignor incur any indebtedness to a lessee under or guarantor of any Lease which may under any circumstance be used as an offset against the Rents or other payments due under said Lease; nor will Assignor exercise any option required or permitted by the terms of any of the Leases without the prior written

consent of Assignee; nor will Assignor receive or collect any Rents from any present or future lessee of the Subject Property or any part thereof except in trust for Assignee in accordance with the express provisions hereof, and then only for such periods not to exceed one month in advance of the date on which such payment is due; nor will Assignor cancel or terminate any of the Leases, accept a surrender thereof, commence an action of ejectment or any summary proceedings for dispossession of a lessee under any of the Leases, or convey or transfer or suffer or permit a conveyance or transfer of the premises demised thereby or of any interest therein so as to effect directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of any lessee thereunder; nor will Assignor consent to an assignment or sublease of the interest and estate of any lessee under any of the Leases, whether or not in accordance with its terms; nor will Assignor modify or change the terms of any guaranty of any of the Leases or cancel or terminate such guaranty; nor will Assignor enter into additional leases covering any portion of the Subject Property, or renew or extend the term of any Lease unless an option therefor was originally reserved by the lessee in the Lease for a fixed and definite rental, or relocate or expand the floor space of any lessee under a Lease within the Subject Property, without first having obtained the written consent of Assignee; and any such acts, if done or permitted to be done without the prior written consent of Assignee, shall be null and void.

3. Assignor covenants with Assignee, for so long as the indebtedness evidenced by the Note or any part thereof or any other indebtedness secured by the Mortgage shall remain unpaid, to observe and perform duly and punctually all the obligations imposed upon any lessor under the Leases and not to do or permit to be done anything to impair the value thereof; to enforce the performance of each and every term, provision, covenant, agreement and condition in the Leases to be performed by any lessee thereunder; to appear in and defend any action or proceeding arising under, occurring out of or in any manner connected with any of the Leases, or the obligations, liabilities or duties of Assignor or any lessee under the Leases and, upon request by Assignee, to make appearance in the name and on behalf of the Assignee, but at the expense of Assignor; to exercise any option or election contained in or relating to any of the Leases which Assignee shall require; at Assignee's request to assign and transfer to Assignee by specific Assignment of Leases and Rents, in the form of this Assignment, any and all subsequent Leases upon all or any part of the Subject Property (it being understood and agreed that no such specific assignment shall be required for such subsequent Leases to be covered by and included within this Assignment as provided herein); to deliver to Assignee executed copies of any and all Leases, renewals and extensions of existing Leases and any and all subsequent Leases upon all or any part of the Subject Property; and to execute and deliver at the request of Assignee all such further assurances and assignments in the premises covered by the Leases or Rents as Assignee shall from time to time require and to deliver other records and instruments, including but not limited to rent rolls and books of account, that Assignee shall from time to time require.

4. Assignor covenants to receive any and all Rents as a fund held in trust to be applied for the benefit of and as directed by Assignee for payment of the Note and Mortgage, the indebtedness evidenced thereby and the obligations of the Subject Property as set forth herein. In accordance with such trust, Assignor hereby covenants so to apply the Rents, before using any part of the same for any other purposes, first, to the payment of taxes and assessments upon the Subject Property before penalty or interest is due thereon; second, to the cost of insurance, maintenance and

repairs required by the terms of the Mortgage; third, to the satisfaction of all obligations specifically set forth in the Leases; and, fourth, to the payment of interest and principal becoming due on the Note and the Mortgage. However, Assignor may only collect such Rents on behalf of Assignee until the occurrence of a default specified in the Mortgage and the issuance by Assignee of a notice of such default (hereinafter called a "Notice of Default") to the lessees under the Leases. Upon receipt from Assignee of a Notice of Default, each lessee under the Leases is hereby authorized and directed to pay directly to Assignee (being the owner thereof) all Rent thereafter accruing and the receipt of Rent by Assignee as provided herein shall be a release of such lessee to the extent of all amounts so paid. The receipt by a lessee under the Leases of a Notice of Default shall be sufficient authorization for such lessee to make all future payments of Rents directly to Assignee and each such lessee shall be entitled to rely on such Notice of Default and shall have no liability to Assignor for any Rents paid to Assignee after receipt of such Notice of Default. Rents received by Assignee after giving a Notice of Default for any period prior to foreclosure under the Mortgage or acceptance of a deed in lieu of such foreclosure shall be applied by Assignee to the payment (in such order as Assignee shall determine) of: (a) all expenses of managing the Subject Property, including but not limited to the salaries, fees and wages of a managing agent and such other employees as Assignee may deem necessary or desirable; all expenses of operating and maintaining the Subject Property, including but not limited to all taxes, assessments, charges, claims, utility costs and premiums for insurance, and the cost of all alterations, renovations, repairs or replacements; all expenses incident to taking and retaining possession of the Subject Property and/or collecting the Rents due and payable under the Leases; and (b) the Note and other indebtedness secured by the Mortgage, principal, interest, attorneys' and collection fees and other amounts, in such order as Assignee in its sole discretion may determine. In no event will this Assignment reduce the indebtedness evidenced by the Note or otherwise secured by the Mortgage, except to the extent, if any, that Rents are actually received by Assignee and applied upon (after said receipt) to such indebtedness in accordance with the preceding sentence. Without impairing its rights hereunder, Assignee may, at its option, at any time and from time to time, release to Assignor Rents so received by Assignee or any part thereof. As between Assignor and Assignee, and any person claiming by, through or under Assignor, other than any lessee under the Leases who has not received a Notice of Default pursuant to this Paragraph, this Assignment is intended to be absolute, unconditional and presently effective and the provisions of this Paragraph for notification of lessees under the Leases upon the occurrence of a default specified in the Mortgage are intended solely for the benefit of each such lessee and shall never inure to the benefit of Assignor or any person claiming by, through or under Assignor (other than a lessee who has not received such notice). It shall never be necessary for Assignee to institute legal proceedings of any kind whatsoever to enforce the provisions of this Paragraph or this Assignment.

5. Assignor covenants that at any time during which Assignor is receiving Rents directly from lessees under the Leases, Assignor shall, upon receipt of written direction from Assignee, make demand and/or sue for all Rents due and payable under one or more Leases, as directed by Assignee, as it becomes due and payable, including Rents which are past due and unpaid. In the event Assignor fails to take such action, or at any time during which Assignor is not receiving Rents directly from lessees under the Leases, Assignee shall have the right (but shall be under no duty) to demand, collect and sue for, in its own name or in the name of Assignor, all Rents due and payable under the Leases, as it becomes due and payable, including Rents which are past due and unpaid.

6. Assignor agrees that Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Subject Property, or any part thereof, or from any other act or omission of Assignee under or relating to the Leases, unless such loss is caused by the gross negligence or willful misconduct of Assignee, nor shall Assignee be obligated to perform or discharge any obligation, duty or liability under the Leases by reason of this instrument or the exercise of rights or remedies hereunder. Assignee shall not be liable for its failure to collect, or its failure to exercise diligence in the collection of, Rents under the Leases, but shall be accountable only for Rents that Assignee actually receives. Assignor will indemnify and hold harmless Assignee (for purposes of this Paragraph, the term "Assignee" shall include the directors, officers, partners, employees and agents of Assignee and any persons or entities owned or controlled by, owning or controlling, or under common control or affiliated with Assignee) from and against, and reimburse Assignee for, all claims, demands, liabilities, losses, damages, causes of action, judgments, penalties, costs and expenses (including without limitation, attorneys' fees and costs of appeal) incurred under the Leases by reason of this instrument or the exercise of rights or remedies hereunder, or which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases, including specifically any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any lessee under any Lease and not actually delivered to Assignee. The indemnities contained in this Paragraph shall include claims, demands, liabilities, losses, damages, causes of action, judgments, penalties, costs and expenses (including without limitation, attorneys' fees) resulting from the negligence of Assignee, but not the gross negligence or willful misconduct of Assignee. The foregoing indemnities shall not terminate upon release or other termination of this Assignment. Any amount to be paid under this Paragraph by Assignor to Assignee shall be a demand obligation owing by Assignor to Assignee, shall bear interest from the date such amount becomes due until paid at the rate of interest payable on matured but unpaid principal of or interest on the Note and shall be secured by the Mortgage and by any other instrument securing the Note. This Assignment of Leases and Rents shall not operate to place responsibility upon Assignee for the control, care, management or repair of the Subject Property, nor for the carrying out of any of the terms and conditions of the Leases; nor shall it operate to make Assignee responsible or liable for any waste committed on the Subject Property by the tenants or by any other parties or for any dangerous or defective condition of the Subject Property, or for any negligence in the management, upkeep, repair or control of the Subject Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

7. Assignor agrees that this Assignment is primary in nature to the obligation evidenced and secured by the Note, the Mortgage and any other document given to secure and collateralize the indebtedness secured by the Mortgage and that any default under this Assignment is and shall be a default under the Mortgage. Assignor agrees that Assignee may enforce this Assignment without first resorting to or exhausting any security or collateral securing the payment of the Note; provided however, that nothing herein contained shall prevent Assignee from suing on the Note, foreclosing the Mortgage or exercising any other right under any document securing the payment of the Note or at law or in equity.

8. Assignor covenants and agrees that so long as the indebtedness under the Note and Mortgage or any indebtedness secured by the Mortgage remain unpaid, in the event any lessee under the Leases should be the subject of any proceeding under the Federal Bankruptcy Code or any other federal, state or local statute which provides for the possible termination or rejection of any of the Leases assigned hereby, if any Lease is so rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for rejection of any such Lease will be made payable to Assignee to the fullest extent permitted by law. Assignor hereby assigns any such payment to Assignee and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which will be applied to the Note and other indebtedness secured by the Mortgage, principal, interest, attorneys' and collection fees and other amounts, in such order as Assignee in its sole discretion may determine.

9. Assignor agrees with Assignee that nothing contained herein and no act done or omitted by Assignee pursuant to the powers and rights granted Assignee hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Note and the Mortgage or a waiver or curing of any default hereunder or under the Note or the Mortgage, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms of the Note and the Mortgage. The right of Assignee to collect said principal sum, interest and indebtedness and to enforce any security therefor held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

10. If the Note and all other indebtedness secured by the Mortgage is paid as the same becomes due and payable and if all of the covenants, warranties, undertakings and agreements made in the Mortgage and in this Assignment are kept and performed, then this Assignment shall become null and void and of no further force and effect and Assignee shall then reassign all Rents to Assignee, at Assignee's expense. No lessee under the Leases shall be required to take notice of such termination until a copy of a release of the Mortgage and re-assignment of the Rents shall have been delivered to such lessee.

11. Assignor agrees that Assignee may take or release any security for the payment of this Note and other indebtedness secured by the Mortgage, may release any party primarily or secondarily liable therefor and may apply any security held by it to the satisfaction of the Note and such other indebtedness secured by the Mortgage without prejudice to any of its rights under this Assignment.

12. Assignor agrees that Assignee may at any time and from time to time in writing (a) waive compliance by Assignor with any covenant herein made by Assignor to the extent and in the manner specified in such writing; (b) consent to Assignor doing any act which hereunder Assignor is prohibited from doing, or consent to Assignor failing to do any act which hereunder Assignor is required to do, to the extent and in the manner specified in such writing; or (c) release any part of the Subject Property and/or the Leases, or any interest therein, from this Assignment. No such act shall in any way impair the rights of Assignee hereunder except to the extent specifically agreed to by Assignee in such writing.

13. Assignor agrees that the rights and remedies of Assignee hereunder shall not be impaired by any indulgence, including but not limited to (a) any renewal, extension or modification which Assignee may grant with respect to any indebtedness secured by the Mortgage, (b) any surrender, compromise, release, renewal, extension, exchange or substitution which Assignee may grant in respect of the Subject Property and/or the Leases and/or the Rents or any part thereof or any interest therein, or (c) any release or indulgence granted to any endorser, guarantor or surety of any indebtedness secured hereby.

14. Assignor agrees that a determination that any provision of this Assignment is unenforceable or invalid shall not affect the enforceability or validity of any other provision and any determination that the application of any provision of this Assignment to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to any other persons or circumstances.

15. Assignor agrees that notwithstanding (a) the fact that any Lease or the leasehold estate created thereby may be held, directly or indirectly, by or for the account of any person or entity which shall have an interest in the fee estate of the Subject Property, (b) the operation of law or (c) any other event, lessee's leasehold estate under such Lease shall not merge into the fee estate and the lessee shall remain obligated under such Lease as assigned by this Assignment.

16. Assignor agrees and covenants with Assignee that this Assignment and the terms, provisions, representations and warranties herein contained shall be binding upon Assignor and Assignor's successors and assigns, and all subsequent owners of the Subject Property and shall inure to the benefit of Assignee and Assignee's successors and assigns, including all subsequent holders of the Note and the Mortgage. All reference in this Assignment to Assignor or Assignee shall be deemed to include all such successors and assigns of such respective party.

17. Assignor agrees that within this Assignment, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural and words in the plural number shall be held and construed to include the singular, unless the context otherwise requires.

18. Assignor agrees that this Assignment may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document. All such counterparts shall be construed together and shall constitute one instrument, but in making proof hereof it shall only be necessary to produce one such counterpart.

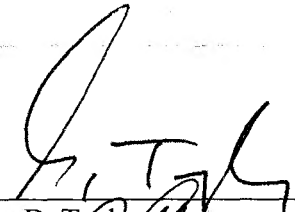

19. Assignor agrees and covenants with Assignee that this Assignment shall not be construed or deemed made for the benefit of any third party or parties.

20. This Assignment shall be construed in accordance with and shall be subject to the laws of the State of Texas.

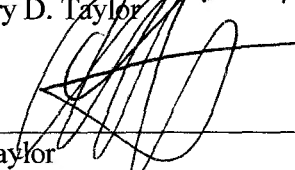

21. This Assignment contains the entire agreement concerning the assignment by Assignor of the Leases and the Rents thereunder between the parties hereto. No variations,

modifications or changes herein or hereof shall be binding upon any party hereto, unless set forth in a document duly executed by or on behalf of such party.

IN WITNESS WHEREOF, Assignor has executed this Assignment of Leases and Rents as of the date first above written.
